12月01日 开场演讲嘉宾

Dinesh Nair

Senior Health Specialist with the Health Nutrition Population Global Practice in the World Bank China Office

Dr. Dinesh Nair, is a Senior Health Specialist with the Health Nutrition Population Global Practice in the World Bank China Office. As the Task Team Leader for several financing and knowledge products Dinesh, leads World Bank support in China and Mongolia to build stronger health systems and improved health services.

Over a 30 plus career in health services, Dinesh has progressively moved from front line service provision to executive leadership at team and institutional level. Dinesh's experiences range from working as a primary care physician in a tribal coal mining area in central India to leading some of Bank's pioneering work on Results Based Financing globally. In his 13 years at the Bank, Dinesh has had several unique assignments including leading the Bangladesh Sector-wide Program, to navigating complex programs in Nigeria and playing a lead role in the early design and operationalization of the Global Financing Facility. Prior to joining the Bank, Dinesh was the Health Adviser with the Department for International Development (DFID) covering India and Bangladesh. Dinesh also has rich experience of working with the Non-Government and the Public sector in India. Dinesh has a master's degree in Health Administration from the Tata Institute of Social Sciences, India and graduated in Medicine from Calcutta, India. Dinesh has also received higher training in Industrial Health and Epidemiology and Surveillance.

赵伟韬

复旦大学管理学院讲师, 党委副书记

赵伟韬,博士,现为复旦大学管理学院讲师,党委副书记。作为复旦大学全英文公共选修课《管理沟通》课程的主讲教师, 赵伟韬老师具备比较丰富的教学经验。赵伟韬老师长期担任复 旦大学管理学院高级工商管理硕士(EMBA)、工商管理硕士 (MBA)等专业学位项目的《管理沟通》、《高级管理沟通》、

《商务英语与商务沟通》等课程的主讲教师,曾前往美国麻省理工学院斯隆管理学院 进修相关管理沟通类课程。经过长期的历练,赵伟韬老师积累了丰富的课堂教学经验, 并尝试将MBA管理类课堂常用且行之有效的案例分析、情景模拟、录像回放分析等教 学方法在该门本科生《管理沟通》课程中推行,并取得了较好的效果。

刘畅

艾社康新加坡和大中华区负责人

刘畅博士是艾社康新加坡和大中华区负责人,主要负责中国健康和老龄领域创新平台的搭建和发展,并带领团队开展行业研究和咨询项目。刘畅博士撰写的有关新加坡年度卫生健康系统发展的文章被英联邦基金会和伦敦经济学院出版发表。他编写了《Affordable Excellence》一书的后记,这本书记录了新加

坡医疗健康系统在 2013 年至 2014 年期间向着高质量、可持续方向的发展情况。他还与 William Haseltine 博士合作编写了《A City for All Ages》一书, 记录了新加坡老龄产业的现状与发展。他参与了艾社康及其他有关于东南亚和中国人口老龄化问题的项目研讨, 并且主导项目的落实。

除了任职于艾社康,刘畅博士还兼任香港中文大学和昆山杜克大学的兼职教授职位。 在此之前,刘畅博士曾任杜克-新加坡国立医学研究生院卫生服务和政策系和老龄健康 教育中心的助理教授,以及在美国布朗大学老年医学与健康研究中心工作,研究美国 和中国的长期照护和养老政策,并发表了多篇学术文章和政府报告。2013 年他在布朗 大学获得医疗服务研究的博士学位,专长于卫生经济学方向。刘畅博士是 eXebs Friedrich J. Schoening 国际奖学金获得者,并被任命为 eXebs 学者至德国欧洲商学 院进行交换学习。另外,他获得北京大学光华管理学院金融硕士学位。

主题一: 医保改革国内国际先进经验分享

主题演讲嘉宾

方晋

中国发展研究基金会副秘书长,国务院发展研究中心研究员

海市卫生发展研究中心常务副主任、上海市人口与发展研究中心主任、上海市卫生系统后勤管理协会副理事长兼秘书长,中国卫生信息学会卫生管理统计专业委员会副主任委员、复旦大学校外研究生导师。主要从事卫生经济和医院管理行政和研究工作。主持开展的课题研究 40 余项,2010 年获上海市科技进步三等奖、2012 年获上海市政府决策咨询二等奖、2013 年获上海市科技情报成果一等奖、中国医院协会医院科技创新三等奖、上海市政府决策咨询三等奖、2014 年获上海市医学科技奖三等奖。多次获中国卫生经济学会课题成果优秀奖。共公开发表论文 120 余篇,其中以第一作者发表论文 60 余篇。曾获上海市卫生系统"医务青年管理十杰"、上海市新长征突击手。

Eduardo P. Banzon

Principal Health Specialist, Sustainable Development and Climate Change Department, Asian Development Bank

Dr. Eduardo "Dodo" P. Banzon is the Principal Health Specialist at the Asian Development Bank. He was also a Clinical Associate Professor of the University of the Philippines (UP) College of Medicine; Research Associate Professor of the UP-National Institutes of Health; a faculty member of the Ateneo Graduate School of Business; and adjunct faculty in the Asian Institute of

Management and Ateneo School of Government.

Jui-fen Rachel Lu

台湾长庚大学教授,International Health Economics Association (iHEA)理事,台湾健康经济学会常务理事,前台湾 健康经济学会理事长

Jui-fen Rachel Lu, is a Professor in the Graduate Institute of Business and Management and Department of Health Care Management, College of Management, at Chang Gung University in Taiwan, where she teaches comparative health systems, health economics,

and health care financing and has served as department chair (2000-2004), Associate Dean (2009-2010) and Dean of College of Management (2010-2013).

She earned her B.S. from National Taiwan University, and her M.S. and Sc.D. from Harvard University, and she was also a Takemi Fellow at Harvard (2004-2005), a guest professor at Huazhong University of Science and Technology (2010-2013), and an adjunct professor at Xi'an Jiaotong University (2011-2014) in China. Prof. Lu is an Honorary Professor at Hong Kong University (2007-2017) and a Fulbright Visiting Scholar at Stanford University (2015-2016). Her devotion to teaching driven by her firm belief in the value of education and investment in human minds was recognized by the Award of Excellence in Teaching conferred by CGU in both 2002 and 2013.

She cofounded Taiwan Society of Health Economics (TaiSHE) in 2008 and currently serves as President of TaiSHE (2014-2017) and is also a member of the Arrow Award Committee for International Association of Health Economics (iHEA) (2014-2016), and iHEA board director.

Her research focuses on 1) the equity issues of the health care system; 2) impact of the NHI program on health care market and household consumption patterns; 3) comparative health systems in Asia-Pacific region. She is a long-time and active member of Equitap (Equity in Asia-Pacific Health Systems) research network. Prof. Lu has been appointed to serve on several advisory boards to Taiwan Ministry of Health and Welfare, National Health Insurance Administration, Ministry of Science and Technology.

She received the Minister Wang Jin Naw Memorial Award for Best Paper in Health Care Management in 2002 and was the recipient of IBM Faculty Award in 2009.

Sliver Chen

Senior Director, Regional Access Lead – APAC/China at Pfizer

Silver has been Senior Director, Regional Access Lead – APAC/China at Pfizer since 2013, based in Hong Kong. He is a member of the Pfizer regional leadership team and responsible for providing strategic & execution support to in-country market access operations in the Asia Pacific/China region. Silver has more than 15 years of pharmaceutical experience in Pricing & Reimbursement, Market Access, Public Affairs and laboratory science.

Silver joined Pfizer Canada in 2003 and has hold positions of increasing responsibility in Canada, USA and HK. As Manager Reimbursement Strategy in Montreal, he led the development & implementation of Market Access plans for new product launches. Silver then moved to Toronto and managed Pfizer's interactions with Ontario provincial government and key private payers to gain, enhance and protect access to Pfizer products. In 2010, Silver moved to Pfizer's global headquarters in NY to take on positions in Market Access and Public Affairs supporting the Asia Pacific region.

Prior to joining Pfizer, Silver was a chemist & manager in analytical laboratories in Beijing and California. Silver obtained his B.S. Chemistry from Peking University (China), MSc. Biochemistry from Auburn University (USA) and MBA from University of Toronto (Canada).

主题二: 支付创新与卫生服务体系升级

主持人:

Xie Hong

Senior Director of Physician Center, Ping An Good Doctor, Ping An Healthcare and Technology LTD.; Associate Chief Physician, Postgraduate Tutor

Ms. Xie joined Ping An Good Doctor (PAGD) in December 2014. As the Senior Director of Physician Center, she is responsible for the team formation and management of the center, as well as setting up and managing of the quality control system, optimizing the work process, identifying the job duties, organizing the internal training

and optimizing the performance assessment.

She set up an organizational framework for PAGD Internet hospitals and carried out various business such as graphical and textual consultation, video consultation, and telephone consultation to provide users with all-rounded family doctors' health management services before and after diagnosis.

主题演讲嘉宾:

郭卫平

首席执行官及执行董事,党委副书记

环球医疗作为领先的医疗健康产业集团,拥有自身独特的竞争优势。我们专注于高速发展的中国医疗服务行业,为客户提供综合性的医疗服务;同时,我们秉承以人为本,服务民生的理念,业务重心聚焦医疗、养老等关系国计民生的重要行业和关键领域,立足于推动地方各级医疗机构技术和服务的整体提升,

努力在中国医疗改革进程中担当关键角色。

Jeremy Lim

Partner & Head of Health & Life Sciences, Oliver Wyman, Asia Pacific

Dr. Jeremy Lim advises senior officials at public sector agencies and has extensive experience consulting and advising multinational private and NGO clients on national and regional strategies for goto-market plans and implementation, government engagement and public-private partnerships.

Jeremy is also active in academia, holding appointments at several universities. He teaches at the National University of Singapore (Saw Swee Hock School of Public Health, and Duke-NUS medical school), and in 2013 authored Myth or Magic: The Singapore Healthcare System, a book that draws lessons from the Singapore health system for health reform efforts in other countries.

Prior to joining Oliver Wyman, Jeremy trained in surgery and public health. He has worked in senior executive roles in both public and private sectors, including time spent as a senior official in the Ministry of Health Singapore where he was also involved in a number of 'Whole of Government' initiatives.

Jeremy chairs the steering committee of NIHA (NUS Initiative to Improve Health in Asia), an initiative to strengthen health policy research and education in Asia and sits on the Behavioral Sciences Institute, Singapore Management University, Centre for Health Informatics (NUS) and Next Age Institute (NUS) advisory boards. He also contributes as immediate past President of the Fulbright Association (Singapore) and convener for the Johns Hopkins Bloomberg School of Public Health Singapore alumni. Jeremy enjoys serving in the NGO sector and in Singapore chairs the School Advisory Committee of the Meridian Junior College, the medical advisory committee of Dover Park Hospice and regionally, is a Member of the 'Save the Children' Asia Corporate Advisory Council. He is a volunteer physician with Health Serve, a Singapore NGO catering to the health needs of migrant workers.

袁勇

中山市人民医院党委书记、院长。

主任医师,医学博士,硕士生导师。从事心血管内科专业 20 余年,擅长冠心病、风湿性心脏病、先天性心脏病、心肌疾病等疾患的诊断及治疗。在国内率先把体外膜肺氧合技术 (ECMO)应用于心脏泵功能衰竭的抢救,首先提出 ECMO的使用和撤机标准。

分别担任:

广东省医师协会第二、三届理事会 副会长 广东省医院协会第九届理事会 副会长 广东省医学会心血管病学分会第十届委员会 副主任委员 广东省医院协会心血管介入管理专业委员会第一届委员会 副主任委员 广东省医学会心脏起搏与电生理学分会第二,三届委员会 副主任委员 中山市医学会第八届理事会 会长 中山市医学会心血管病学分会第三届委员会 主任委员 广东省第十一、十二、十三届人民代表大会代表。

圆桌论坛演讲嘉宾:

Dinesh Nair

Senior Health Specialist with the Health Nutrition Population Global Practice in the World Bank China Office

Dr. Dinesh Nair, is a Senior Health Specialist with the Health Nutrition Population Global Practice in the World Bank China Office. As the Task Team Leader for several financing and knowledge products Dinesh, leads World Bank support in China and Mongolia to build stronger health systems and improved health services.

Over a 30 plus career in health services, Dinesh has progressively

moved from front line service provision to executive leadership at team and institutional level. Dinesh's experiences range from working as a primary care physician in a tribal coal mining area in central India to leading some of Bank's pioneering work on Results Based Financing globally. In his 13 years at the Bank, Dinesh has had several unique assignments including leading the Bangladesh Sector-wide Program, to navigating complex programs in Nigeria and playing a lead role in the early design and operationalization of the Global Financing Facility.
